Homecoming
2002
The Torch staff has been diligently composing this yearbook for your viewing pleasure. This year's staff is headed by Brian Curley, editor-in-chief and editors, Laura Hastings, Kari Davison, and Jessica Gormley who have put in hundreds of hours to create each and every page. Many people have contributed to the outcome of this book, including those who have lent a helping hand in selling and creating the book, and all who have donated pictures.

A special thanks to my second son, Brian, for all his hard work and dedication. Without his creativity, blood, sweat, and tears, this book would not exist.

All my gratitude,
Ms. Barnes

MIX IT UP WAS THE BRAIN STORM OF MR. SMITH AND MRS. LOVETT, TO CREATE AN OPPORTUNITY THAT ALLOWED BOTH STUDENTS AND STAFF TO LEARN TO APPRECIATE THE UNIQUENESS OF THE INDIVIDUAL AND TO RECOGNIZE THE DIVERSITIES FOUND WITHIN OUR SCHOOL COMMUNITY. USING FOOD, MUSIC, AND THE LUNCH-TIME SCHEDULE ON NOVEMBER 21ST, THEY CREATED A POSITIVELY CHARGED ATMOSPHERE. “WE HOPE TO CREATE A POSITIVELY CHARGED ATMOSPHERE WHERE THE STUDENT BODY, FACULTY, AND STAFF ENGAGED IN ACTIVITIES THAT HELPED TO BREAK DOWN BARRIERS.

WITHIN OUR SCHOOL COMMUNITY (WE ARE NOT UNIQUE) THERE IS A TENDENCY FOR STUDENTS AND FACULTY TO ADHERE TO THE SAME COMFORTABLE GROUPINGS. THIS OPPORTUNITY HELPED TO ERASE BARRIERS...WHETHER THEY BE RACIAL, SOCIAL, SEXUAL, OR GENDER BASED. WE RECOGNIZE THAT THIS OPPORTUNITY CREATED A TEMPORARY, ARTIFICIAL RELATIONSHIP WITHIN THE SCHOOL COMMUNITY-WE HOPE THAT IT WILL BE A SMALL STEP OF A GREATER JOURNEY TOWARDS TOLERANCE.”

THE PROGRAM INVOLVED AN EXTENDED LUNCH PERIOD, ASSIGNED SEATING (BY BIRTH MONTH), AND KARAOKE PARTICIPATION. THE PROJECT WAS PART OF A NATIONAL PROGRAM HELD THE WEEK BEFORE THE THANKSGIVING HOLIDAY. MR. SMITH AND MRS. LOVETT WERE PLEASED WITH THE PARTICIPATION OF FACULTY, STAFF, AND STUDENT BODY. “WE FEEL THAT SOME OF OUR GOALS WERE ACHIEVED...BUT...MORE NEEDS TO BE DONE.”

AS THE CHINESE PROVERB STATES...

“A JOURNEY OF A THOUSAND MILES BEGINS WITH THE FIRST STEP.”
Over the past 5 years the community service learning program has fostered the altruistic values in our students. More than 250 students have volunteered their time to help a worthy cause in the community. Headed by Mr. Burkett and several teacher advisors, the students have shared many valued experiences tutoring, aiding the elderly, serving as classroom assistants at the elementary and middle schools, working at the police station and many, many more.

Our hats are off to those who have given of themselves in order to help those in need!

Remember When...
The memories that you have from the last twelve years are priceless, and most will never be forgotten. When asked of their favorite memories, members of the class of 2003 couldn’t pick just one. Recollections ranged from their fourth grade field trip to Duxbury Beach to the softball team’s State Tournament trip to Martha’s Vineyard. Nick Williams said when asked of his favorite memory, “The eighth grade food fight was off the hook.” The fifth grade trip to Nature’s Classroom, Middle School Lip Sync, and the seventh grade whale watch are all memories that come to mind from the last twelve years. Some of the most prominent memories come from these last four years of high school. High School wouldn’t have been the best four years of your life without the hard-fought battles at the Lock-in Volleyball Tournaments or the excitement of the Student-Faculty Basketball games with special half-time performances of 54U. Although most have many memories made here in East Bridgewater, some said that their fondest memories will be of graduation and leaving their past experiences behind them. When you look back on East Bridgewater High School ten or twenty years from now, you won’t remember the classes or your grades, you will remember the great times you had with your friends over the years.
Will You Remember...

Bottom Row (from left to right): Anthony Figerito, Ryan Coots, Chris Sousa, Max Stevens, Matt Moore, Steven Haskell, Matt Mauger, Dave Bombadier, Brian Fields, Sam Phillips, Norly Prucien, Mike Brigham. Middle Row (from left to right): Chris Barton, Max Morgan, Justin Gluck, Andrew O’Laughlin, Paul Foloni, Chris Moore, Brett Dungan, Dan Bombadier, Shawn White, Dean Lucier, Matt White, TJ Smith, Rick Colbrun, Kevin McCabe, Chris Berretta, Ryan Gilbertson, Tom Morgan, Chris Lawlor. Top Row (from left to right): Coach St. George, Kenny Rettman, Brendan Craig, Anthony Carter, Brian Hammond, Dave Lumas, BJ Barnes, Jeremy McCabe, Will Brigham, Garrett Breheny, Jeremy Lagerval, Nate Phillips, Nick Rotondo, Rich McLaughlin, Jim Gambee, Matt Boyce, Brian Sheppard, Sean Benner, Gordy Lawson, Geoff Smith, Brian Morrill, Matt Mederos, Dave Persson, Dennis Sheppard, Andy Wagner, Matt Costello, Chris Rettman, Coach McCabe.

The 2002 Spring Track season was an outstanding success in every respect. The team won the Patriot League Championship for the fourth consecutive season with a record of 10-0, and followed that accomplishment with their first ever class “D” State Relay championship, and first ever Class “D” state championship. Also, the 4X mile relay team of TJ Smith, Shawn White, Dennis Sheppard, and Tom Morgan set a new state Class “D” record. The team was led by senior captains Rick Colburn, Dean Lucier, TJ Smith, Matt White, Shawn White. The team put forth a tremendous amount of effort and commitment, which made the season well worth it and very successful.
Boys Track
The 2002 Spring season proved to be a successful one for the Girls Track Team. Leading the Vikings were captains Sara Moukalled, Nicole Beddia, Colleen Lynch, and Laura Buckley. The girls took the title of Co-Patriot League Champions with a record of 9-1. Many girls contributed to the team's success. Jen Harlow, Sara Moukalled, Bridget Larkin, Nicole Beddia and Laura Buckley all made the Patriot League All Star team. Jen Harlow also won the New England title in the high jump. Freshman Katheryn Sims stood out in distance along with Holly Runnals and Colleen Lynch. Jenell Degrenier, another freshman, was key in sprinting. As was Alysha Olson and Sonya Pawlyshyn. Dana Crum and Danielle Beddia aided in their mid-distance running. In the field events, Stephanie Egan, Nicole West, Bridget Larkin, and Laura Buckley came through for the Vikings. The result of the season was not just victory, but a good time for all.
Baseball

The 2002 Varsity Baseball team was noteworthy for its wonderful attitude and for returning East Bridgewater High School baseball to post season play. Captains Jake Perkins, Paul Mann, Mark Robillard, and Derek Volner led the Vikings.

Highlights of the season included a big 5-4 win over Middleboro pitched by sophomore All-League selection Seth Perkins and ended with an amazing catch by sophomore Shawn Cowgill. The 10-10 regular season finish included wins over Carver, Norwell, (2), Duxbury, Hingham and Rockland.

It was also a season of tournaments as the Vikings hosted Preque Isle, Maine for two games in early April. They played Whitman Hanson and Abington in the annual Ralph Conners memorial tournament. Also, they played against Canton in the first round of the MIAA State Tournament. With the graduation of seniors, Shawn Fedele, John Paul Kenn, Sal Longo, Paul Mann, Jake Perkins, Mark Robillard, and Derek Volner, the 2003 Vikings are going to look to five returning starters and new players from the sub-varsity to reach post season play again next year.
The Viking Softball team experienced a renewal of excitement during the 2002 season. Foremost, the character and spirit of the varsity players were the primary contributions to the excitement. The girls were a cohesive, motivated and over-achieving group that was the source of pleasure and pride for the school. Several late-inning victories against league rivals Middleboro, Hingham and Hanover were high points of the season. But the State Tournament victory at Martha’s Vineyard was definitely the season highlight.

In the past couple years the East Bridgewater High School girls tennis team has been gradually growing in numbers. In the 2002 spring season, the team consisted of twelve members. The team was led by senior captains Jamie Tressel and Allison Smith. Allison Smith, Jamie Tressel, and Kathryn Findlay played first, second, and third singles, respectfully. Lauren Sheppard and Angela Rotondo played first doubles and Abby Haines and Natalie Hill primarily held the position of second doubles.
This year's golf team was led by Captain Brian Curley, the only senior on the team. Brian did an outstanding job of rallying the players through-out the season while usually playing in the number two spot for the squad. Jeff Hill, a sophomore, was the team's top golfer, usually coming in at or under par through-out the season, and often finishing as low scorer for both teams. Freshman Craig Hastings had an outstanding first season, usually playing in the number three spot. Freshman T.J. Collins also played well consistently. Junior Dillon Hanratty and sophomore Jim Doucette also contributed significantly to the team. Although the loss of Brian Curley will be a big one, next year's golf team looks promising with so many players returning. All of the team's five top golfers will be back, and it appears that next year's incoming freshmen includes some excellent players.
Boy’s X-Country

The Boys Cross Country Team continued there tremendous string of victories by winning second consecutive All-State championship Saturday at Franklin Park. They are the only 2 All-State Championships in East Bridgewater High School history. In the cold, rain, and mud the Vikings put on a tremendous team performance, having only .46 seconds separating their first runner and last runner. All 7 runners finished in the top 50 out of over 140 runners. Dennis Sheppard finished first for the Vikings in 10th place, followed by Joe Fiorini in 15th, Kevin McCabe in 17th, Tom Morgan in 22nd and Nate Phillips in 30th. Jeremy McCabe finished 36th and AJ O’Loughlin finished 51st. The Team was led by captains Dennis Sheppard, Kevin McCabe, and Jeremy McCabe. The team also placed six members on the patriot league all-star team: 1-6. This season continued a dual record streak of 38-0.
Girl's X-Country

The girls cross country team, the smallest fall team in the high school, managed a personally successful season with a final record of 3-7. Though the team only had nine members, the girls pulled through some tough meets with surprising wins and dangerously close final scores. The three freshmen Vania Chan, Stephanie Gildea, and Rikki-Lee Craig surprised both Coach McCabe and Coach Crean with their natural running abilities. Seniors Ari Wile, Alison Cobb, Lara Batti (captains), and Meghan Phillips lead the team through difficult practices, and spirits were always high for the girls team. Though the team was without any junior members, Sophomores Kathryn Sims and Vicki Lynch took their place, and Kathryn headed up the Viking path in the majority of the meets. Injuries became a hindrance as they spread throughout the team, but hey ran through the pain by putting in long miles and hard work. Persistence is a word that can summarize their whole season, and without this, the girls would never have made the great strides (literally) and broken the personal records set for themselves. Just as with every great success, “Behind every great man (or men’s team), there is an even greater woman (or women’s team).”

The Boys Soccer team finished their great season in dramatic fashion on Sunday in a tournament match at Oliver Ames High School in Easton. The Vikings lost a heartbreaker 2-1. Coming into the game no one gave EB much of a chance against the 5th seeded Oliver Ames team. This was one of the most exciting and outstanding soccer matches many of the participants and spectators have ever seen. The match was tied 0-0 at halftime. Oliver Ames scored about midway through the 2nd half to take a 1-0 lead. The Vikings tied the match on a brilliant cross by Sophomore Matt Moore to Senior Chris Barton who scored on a beautiful header. The game remained tied 1-1 until less than three minutes remaining when Oliver Ames scored on a scramble in front of the net. The Vikings pressed hard in the final two minutes but time ran out and Oliver Ames won the match 2-1. The entire East Bridgewater team received a prolonged standing ovation from the crowd at the end of the game. The entire EB team turned in outstanding performances. Keeper Dave Kendrick was superb making several key in the backfield and Forwards Ryan Gilbertson and Nick Williams pressed hard on the frontline. This whole team should hold their heads high in what was an incredible performance not only Sunday but all season long.
The girls’ soccer team ended the season on a positive note with a 4-1 victory over Randolph. Their final record was 2-15-1. They lost many close, hard fought games. Highlights of the season were a though 1-0 loss to Hingham and also a hard fought 1-0 loss against Atlantic Coast League champion Whitman-Hanson. Another highlight of the season was the outstanding play of goalie Natalie Hill. The team was led by a phenomenal group of seniors, including Captain Haley Wile, Abby Haines, Becca Horan, Kristin Morrissey, and Leanne Ring. Their leadership, dedication, and sportsmanship will be remembered and carried on through the underclassman who had the privilege to play with them. The team maintained a positive attitude that will be carried into the future.

The 2002 Field Hockey season was meant to be a rebuilding year after losing 7 seniors, but instead, proved to be a very successful year, which ended with a bid to the tournament. The team was led by captains Meghan Damiano, Jamie Ambach, and Amanda Johnson. Throughout the season, everyone stepped up to meet the challenges at hand. In doing so, three members of the team made the All-Star team. These were, Ashley Miller, Kelsey Brooks, Laura Hastings, and one individual, Ashley Miller, to the All-Scholastic team. The hard work and dedication from the entire team paid off in the end, by making the second round of the tournament. Next year, with the loss of ten seniors, and the return of ten varsity members, the 2003 team will be challenged in being as successful as the 2002 season was. The team would like to thank “Coachiepoo” for all her dedication and time. Without her, we would not have had our successful season.

The 2002 Football season was a good one. The team was led by captains Brett Dungan, Rich McLaughlin, Mike Knight, Jim Gambee, Gordie Lawson, and Dan Bombadier. The team held strong with sixteen seniors, eight juniors, and three sophomores, and finished with a record of 7-2. The Vikings ended the season on a high note, defeating Rockland 42-0. The Vikings also sent 7 players to the Varsity Patriot League All Star team. The season proved to be a success, and the team plans to be just as successful next year.

The East Bridgewater Boys Winter Track team has had another outstanding season. The team was lead by senior captains: Matt Mauger, Kevin McCabe, Jeremy McCabe and Dennis Sheppard. The team has competes its third consecutive undefeated season and has extended their dual meets record to 21 straight. They have also collected their third Patriot League title in as many years. The Boys Winter Track team also was the winner of the State Class D Relays. There have been numerous records set this year, as the boys yet again complete an exceptional season.
Neither snow, sleet, nor rain deterred the efforts of the 2002-2003 girls indoor track team. Following the lead of captains Sumner Flynn, Jen Harlow, Leanne LeBlanc, and Ari Wile the girls performances and determination, while not always visible in the win column, rewrote the record books. Seven new class records were recorded, and junior Natalie West broke the school record in the shot put. Good job on a terrific season girls!
The boy’s basketball team enters the 2002-2003 season with high expectations as a solid group of veteran senior players return from last year’s team. After a solid start to the season, the team played six outstanding games, winning four with the only two losses being by one point and another in overtime to perennial league leaders Rockland and Scituate. The team’s success can be attributed to outstanding team defense and constant improvement in chemistry and individual offensive play. Chris Baton continues his solid play as the three year starting point guard. Brian Sheppard remains one of the top scorers in the league with a 19 points per game average. Jim Gambee and Rich McLaughlin provide tremendous overall competitive play while providing outstanding senior leadership. Starting center, Peter Judge, has been a mainstay as the inside presence needed by any successful team. Solid play off the bench by Mark Climo, Taylor Poulin, and Ryan Macleod has added to the much needed depth of the team. Congratulations on a winning season and good luck to the team as they lead for a possible post-season berth in the state high school basketball tournament.

The 2002-2003 Girls Basketball season began on a strong note with a new coaching staff consisting of head coach, Mr. Tim Doherty; and assistant coaches Jennifer LeMoine, Christine Bren, and Shawn Fidele. The team was lead by captains: Ashleigh Moore, Rebecca Horan, and Katie Findlay, with a strong presence of the 3 other seniors: Tai Charles, Haley Wile, and Katie Connolly. With a small team this year, the girls were able work together to achieve personal and team goals that they set for themselves. Overall, the girls learned a lot about teamwork and persistence.

Front Row: Chelsea Goode, Katie Murphy, Alysia Wakeman, Nikki Wright. Second Row: Coach Jenn LeMoine, Katrina Angelo, Corey Sheradin, Kathleen Waldron, Julie Brooks, Kaitlyn Smalley.
After a Cinderella 2001-2002 season, where the third-year combined team of East Bridgewater and Abington (EAB) finished in the Semi-Finals of the MIAA Division III State Tournament, it began the 2002-2003 season with high-expectations from many. But none of these expectations were higher than what this team had expected for themselves, which included a League Title. Returning this year, after losing only two graduating seniors, the EAB team looked very strong. But, facing a dismal start to their season because of illnesses after injuries, the team looked to be in an insurmountable hole, with a 2-5-0 start. However, the towel was not thrown in this early. The EAB team rallied back to a +.500 record when the squad became undefeated in four straight scoring 20 goals and allowing only 5 against, as their record was improved to 5-5-1. Half way to their goal, the team looks for snipers such as Pat Bishop, Matt Sulmonte, Tim Finch, Brian Curley and Matt Kenney to continue the onslaught of scoring. Leading the team are Chris Berretta and Greg Anderson. Backed with outstanding goaltending and the impenetrable defense of Dave Kendrick and James Tevlin, the EAB team is back on course to the goals they set early in the season. Good Luck to EAB.

Then gentle rays of light tiptoed delicately through the field of wild flowers. On this day the sun was born.

He peaked his head over the horizon, and at that moment our hearts filled with a warmth we would feel forever.

As the sun began to climb higher into the sky, its brilliance left a smile on our faces. And in our field we laughed and embraced that love that emanated from him.

With the sun's retreat, the soft song of the cricket warned us that our day as coming to an end. Twilight streaked across the sky, welcoming the heavens to envelope the sun with twinkling stars.

We remained in the field with our memories until the last strand of light elded away into the sparkling night. And with the moons glow, we were reminded of the day the sun rose for us.

To the class of 2002,
Living in a small town most of us have been through twelve full years of school together. We watched each other grow from carefree five-year-olds to young adults now facing the real world. We can not be sure of what life has in store for us in the future, but I know this class will succeed. Together we have faced the trials and tribulations that come with growing up and have risen above them. We have formed lasting friendships with our classmates that have helped to make us who we are. As we continue on to the next step in our lives, we will be leaving everything we have known for the past twelve years. Although it is saddening to leave this school behind, we will always have our memories. Memories that will bring smiles to our faces as we make new ones throughout our lives. As we approach graduation, I propose this challenge to you all; wherever you go and whatever you do, make the most of it and live your life to the fullest. You all have amazing gifts and talents that will serve you well wherever your life leads you. This letter serves not only as a goodbye but also as a thank you. I would like to thank you all for the memories we have made and the good times we have shared. East Bridgewater High School would not have been the same without you. Follow your dreams 2003, and never let anyone tell you that you cannot achieve your goals. I wish you the best of luck in everything you do and never forget the senior class of 2003.

Sincerely,

Rebecca Horan

MEMORIES: Life is an amazing thing and I love people for the surprise me at every moment. The small things in my life are the ones that make it special and worth living. Small things such as a smile or a laugh can just make my day and when I fell all of this, I hold the moment and make it last forever. If I would die tomorrow, I wouldn't cry because it was the end...I would smile because of all that happened in my life and everything that I had the opportunity of experiencing. I would be happy for all the wonderful people I had the privilege to meet and that made my life so beautiful. I love my family in Portugal and in the USA and all my friends I love East Bridgewater and when back in Portugal. I will think about this year and I will see it as the best year of my life.

Kevin, Jeremy, and Dennis;

Coach McCabe and Coach Crean
"Truly great friends are hard to find, difficult to leave, and impossible to forget."

"Don't cry because it's over, smile because it happened."

"Promise me that you'll never forget me, because if I thought you would, I would never leave."

"Closing time, time for you to go out to the places you will be from... Every new beginning comes from some other beginning's end."
"Beginnings are scary, endings are usually sad, but it's the middle that counts."

"As I stared into your eyes, you asked me why I was about to cry, it's because I knew you were going to say good-bye."

"Every now and then, you find a special friend who never lets you down. Who understands it all, reaches out each time you fall. You're the best friend that I've found."

"Moving on is simple, it's what we leave behind that's hard."

"Good-bye to you. Good-bye to everything I knew. You were the one I loved, the one thing that I tried to hold on to."
